Other things

A completed and signed Facilities Use Agreement and deposit are required to reserve a date. Other events may be going on concurrently in the facility; hence we ask that your event guests confine themselves to your assigned area. Your event use is based on returning the facilities in “as good as or better than condition”. Alcohol is not allowed in the facilities except by special permission from the church Council. Any damages resulting from your event you are responsible for. The church is not responsible for loss or damage of anything you bring in for your event. We require you get event insurance for groups larger than 60, as the church cannot accept any liability for your event. The Properties Committee may change availability or rates at their discretion based on event conditions.
